## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Roxbury :

I herein submit my nineteenth annual report as superintendent of schools.

From a discussion on education after the war, I wish to quote from a report made by the Conservative Party, viz. "Of all the State's activities, education is the basic activity, because it conditions the future character of the entire community". "In war time, the maintenance of these services at a level of high efficiency should have maximum priority."

To meet the ideals of above quotations, I offer a few of the several objectives towards which we are aiming: (1) to maintain the purity of the English language, (2) to give greater emphasis on fundamentals, especially in mathematics, (3) a total world interpretation of history, geography and economics, (4) a better understanding of the vital principles of our Constitution and the American Way of life. For the accomplishments of these goals we ask the cooperation of teachers, parents and citizens.

### CALL FOR TEACHERS

Due to call of war service, defense work and office work, many teachers have given up the teaching profession. As a result I have had to resort to commercial advertising in order to keep open some of the rural schools.

As conditions may be worse next year, I suggest that former teachers take advantage of the opportunity of attending the Summer School at Keene and thus place themselves in position to qualify with the regulations of the State Board of Education. I believe this to be a patriotic gesture.

## WAR ACTIVITIES

Teachers have cooperated heartily in the several rationings. They have done accurate and efficient work which the State and Federal authorities have highly appreciated. The pupils have generously contributed to the war efforts, viz. the U. S. Stamps and Bonds, collection of paper, scrap and keys, etc.

The following number of promotions in respective grades were made in June:

Grades	PROMOTIONS							
	I	II	III	IV	V	VI	VII	VIII
	4	1	2	1	1	4	2	0

These promotions were made on the following points: regularity of attendance, term rank, standard tests and examinations given by the teacher.

Metropolitan Achievement tests were given; one at mid-year and one in June.

## ORGANIZATION FOR YEAR 1942-1943

School	Teacher	Enrollment Jan. 15
Branch	Marion E. Russell	26

In conclusion, I wish to thank the members of school board, teacher and parents for their support and cooperation.

Respectfully submitted,

FREDERICK T. JOHNSON,

Superintendent of Schools.

Marlborough, N. H., Feb. 15, 1943.
